

## AUTODESK® PRODUCT DESIGN COLLECTION

This collection is the best way to access the most essential Autodesk software for product and factory design.

## Make great products

### Get all the right tools

Create your products using the latest design and engineering tools – including Inventor® and AutoCAD® – all from a single package.

### Connect your workflow

Build a single, complete definition of your product with applications that can reference in and update data created by other disciplines and software – promoting team collaboration and better handling complexity.

### Prepare for the future

Access the latest in cloud-based design tools and get ready for the Future of Making Things with Fusion 360.

The Product Design Collection includes key products such as **Inventor Professional**, **AutoCAD** and **Navisworks Manage** in addition to other software included. Go to [www.autodesk.com/productdesign](http://www.autodesk.com/productdesign) to see the full list of products included in the Product Design Collection.

### Executive

## Driving better outcomes
